History

**Students at Catholic Regional College Melton experience an exciting and innovative learning journey during their years at the College.** Underpinning our work are the core values of instilling a love of learning in our students, a sense of hope and the development of skills and attitudes that nurture strong aspirations in every student. With an expectation of academic excellence always, students are challenged and encouraged to become the best version of themselves. This is achieved through academic endeavours and challenges in every year level.

Students are exposed to a variety of contemporary learning styles that are challenging, engaging and relevant to the world in which we live. We encourage students to be fully engaged in their learning and to develop their critical, creative and ethical thinking skills. Learning is collaborative and students are encouraged to take responsibility for their learning to achieve academic success.

> Catholic Regional College. The College was officially opened in 1980 with Sister Helen Reed as Principal. Sister Reed was from the order of the Sisters of St Joseph of the Sacred Heart. This order of sisters was founded by Mary MacKillop who was a passionate believer in education for all. Reflecting the Order's habit, our College uniform was initially chocolate brown. In 1990 the new uniform of maroon, gold and navy was gradually phased in...
